

EVERGREEN AZALEAS

These plants are very popular and are ideal for any size of garden. They thrive in sunnier and warmer climates and can also be grown in patio pots. We can provide a wide range of varieties.

2 litres - £6.45

4 litres - £9.75

7 litres - £14.95

Specimen sizes also available please enquire.

ADDY WERY

Strong red flowers with a dull orange blotch. Upright spreading habit. Early flowering.

ADONIS

White hose-in-hose frilled flowers. Height: 60-90 cm.

ALADDIN

Vivid red flowers in spring. Good bronze foliage in autumn. Height: 60 – 90 cm.

ALEXANDER

Maroon flowers in late spring. Red foliage in winter. Low growing. Height: 60 cm.

AMOENA

Semi double rose purple flowers. Good autumn colour. Height: 60 – 90 cm.

AMOENA COCCINEA

Vivid red hose-in-hose, sometimes reverts back to purple. Height: 60 – 90 cm.

ANNE FRANK

Pink flowers in spring. Good autumn colour. Height: 60 - 90 cm.

ANNY

Strong red flowers in spring. Height: 60 – 90 cm.

ANTHENON

Large pink flowers with a darker blotch. Height: 60 – 90 cm.

APRICOT

White throat edged strong pink blotched darker, hose-in-hose.

AUDREY WYNNIATT

This shrub produces large purplish red flowers in May / June. Height: 60 – 90 cm.

AYE KAMMURI

Small deep yellowish pink flowers with darker spots. Early spring flowering. Height: 90 – 120 cm.

BANGO NISHIKI

Large semi-double, orange scarlet flowers in June. Good autumn colour. Height: 60 cm

BENGAL FIRE

A good evergreen shrub. Vivid red flowers In April – May. Height: 60 – 90 cm.

BETTY ANNE VOSS

Light purplish pink, double, hose-in-hose 3” flowers in June. Neat compact grower. Height: 60 cm in 5 years.

BLAAUWS PINK

Strong yellowish pink small hose-in-hose flowers in early spring. Height: 60 – 90 cm in 10 years

BLACK HAWK

Good shrub with deep scarlet flowers in April – May. Good autumn colour. Height: 60 – 90 cm.

BLUE DANUBE

Intense violet blue flowers, with deeper purple red spotting. May. Upright spreading habit. Very hardy. Height: 60 – 80 cm.

BRAZIER

Deep pink, tinged reddish orange, 1-2” flowering early mid-season.

CHIPPEWA

Large strong purplish red flowers with dark blotch. Very late flowering. Good autumn colour. Best in semi shade.

CHRISTINA

Moderate red, hose-in-hose, occasionally double, large, broad habit, flowering mid-season.

CHRISTMAS CHEER

Double red flowers in early spring. Neat compact plant. Height: 60 – 90 cm.

COLYER

Large, deep purple flowers with spotted red at throat. Early spring flowering. Height: 60 – 90 cm.

CORA GRANT

Pink flowers in April – May. Height: 60 – 90 cm

DOUBLE BEAUTY

Strong purplish red hose-in-hose, flowers mid-season, low and compact.

EARLY BENI

Deep reddish orange, hose-in-hose flowers on a dwarf, low growing variety. May flowering. Height: 60 cm in 10 years.

EASTER PARADE

Large pink semi double flowers with white marbling.

ESMAERALDA

Small pale pink flowers. Height: 60 – 90 cm.

EUNICE UPDIKE

Deep salmon pink, double hose-in-hose 2” flowers. June flowering dwarf shrub. Height: 18” in 15 years.

FAVORITE

Deep pink frilled flowers. Height: 60 – 90 cm.

FEDORA

Deep purplish pink 2". Height: 60 – 90 cm.

FLORIDA

Large, deep red, hose-in-hose flowers in May. Deep glossy leaves turning reddish in autumn and winter. Very hardy. Height: 60 – 90 cm.

GABRIELLE HILL

Light pink flowers in late spring. Compact, low growing. Height: 30 – 60 cm.

GENERAL WAVELL

Large yellowish-pink frilly flowers with red spotting. Height: 60 – 90 cm.

GLAMORA

Pale purplish pink 2" flowers with a whitish throat. June flowering. Dwarf. Height: 18" in 15 years.

GREENWAY

Large yellowish pink flowers in early spring. Height: 60 – 90 cm

GRETA

Large strong purplish red flowers with wavy lobes. Late spring flowering. Dwarf mound forming plant.

GRETCHEN

Vivid reddish purple, darker blotch, 2" flowering late mid-season, upright habit.

GUMPO

Pure white flowers in spring. Extremely dwarf. Height: 30 cm

GWENDA

Purplish pink 3" flowers with slightly greenish-white in throat. June flowering. Dwarf. Height: 60 cm in 10 years.

H.H. HUME

White, faint yellow throat, hose-in-hose, 2". Erect and spreading habit.

HATSUGIRI

Vivid reddish purple flowers with pink spotting in throat. Height: 60 – 90 cm.

HEXE

Dark red double flowers in spring. Height: 90 – 120 cm.

HINO CRIMSON

Small bright crimson flowers in April and May. Good glossy foliage turning reddish in winter. Height: 60 – 90 cm.

HINODEGIRI

Small purplish red flowers in spring. Hardy.

HINOMAYO

Strong purplish pink flowers. Tall upright spreading habit.

IMA SHOJO

Strong red hose-in-hose flowers, dense upright growth.

IROHAYAMA

Small white flowers margined pale lavender. Very effective giving two-tone colour. May. Height: 60 – 90 cm.

JEANETTE

Deep purplish pink, darker blotch, 2", very similar to Fedora. Height: 60 – 90 cm.

JEFF HILL

Deep pink flowers blotched red. Height: 30cm. Spread: 60 cm after 13 years.

JOHANNA

Carmine red flowers in May. Dark shiny leaves turning dark red in autumn. Height: 60 – 90 cm.

JOHN CAIRNS

Small vivid red flowers in May. Excellent red foliage in autumn. Height: 90 – 120 cm in 10 years.

J. S. BACH

Large vivid reddish purple flowers.

KAEMPHEA ORANGE

Orange red flowers in late spring. Very compact neat plant. Good autumn foliage. Height: 60 – 90 cm in 10 years.

KERMESINA

Strong purplish red flowers, very hardy. Height: 60 – 90 cm.

KIMIGAYO

Small deep pink flowers with white throat. Early spring flowering. Height: 90 – 120 cm in 10 years.

KIRIN

Strong pink, hose-in-hose flower. Low spreading plant. Early flowering.

KORAN YUKI

Brilliant orange-red flowers in May. Very neat compact plant. Height: 30 – 60 cm in 10 years.

KURI NO YUKI

Small white hose-in-hose flowers in early spring. Height: 60 – 90 cm in 10 years.

LADY LOUISE

Large bauble strong pink flower with red blotch. June flowering. Dwarf 15". Good autumn foliage.

LADY ROBIN

Large bicoloured flowers with deep claret, pink and white. June flowering. Dwarf. Soft yellow foliage in autumn. Height: 60 cm in 15 years.

LAURA MOORLAND

Large soft salmon pink double flowers in June. Dwarf. Orange autumn foliage. Height: 18" in 15 years.

LEO

Large vivid orange flowers in mid-season. Low compact growing plant. Good autumn foliage.

LILI MARLENE

Large pink flowers in May. Height: 60 – 90 cm.

LINEARFOLIUM

Unusual lilac pink strap shaped flowers and leaves. Reddish foliage in winter.

LITTLE BEAUTY

Rose coloured flowers in late spring. Excellent dwarf plant. Height: 60 – 90 cm after 10 years. Red autumn foliage.

MACROSTEMAN

Orange-pink flowers in May-June. Low growing compact plant. Height: 60 – 90 cm in 10 years.

MARILEE

Red flowers with purple blotch in late spring. Bronze winter foliage. Low growing. Height: 30 – 60 cm. Spread: 60 – 90 cm.

MAXWELL

Vivid purplish red, with darker blotch, blooming late mid-season, growth habit upright.

MICHAEL HILL

Deep pink flowers in late spring. Low growing. Very attractive plant. Height: 30 – 60 cm. Spread: 90 cm after 10 years.

MOIRA SALMON

Salmon coloured flowers in mid season. Orange/red foliage in autumn. Height: 60 – 90 cm in 10 years.

MOTHERS DAY

Vivid red semi double flowers with faint brown spotting. Early to mid May. Very popular. Good glossy foliage turning bronze in autumn. Height: 90 – 150 cm

MRS EMIL HAGER

Deep purplish pink, semi double hose-in-hose flowers in May. Dwarf. Dark bronze foliage in autumn. Height: 60 cm in 10 years.

MUCRONATA

White flowers with yellow throat in April – May. Height: 60 – 90 cm. Hardy.

NANCY OF ROBINHILL

Large light purplish pink, semi double hose-in-hose flowers with red blotch. June. Height: 18” in 15 years

NAOMI

Strong pink flowers 2” across. Upright habit.

ODILIA

Purple red flowers in spring. Best in semi-shaded position. Height: 60 – 90 cm.

ORANGE BEAUTY

Orange-red single flowers in early spring. Excellent autumn foliage. Height: 60 – 90 cm.

OUCHIYAMA

Light purplish red flowers. Flowering mid-season. Height 60 – 90 cm.

PALESTRINA

Large white flowers with a greenish yellow blotch. Hardy. Soft yellow autumn foliage.

PEACH BLOSSOM

Light yellowish pink, blooming mid-season.

PERLE D’AMBRE

Pink flowers in spring. Best in semi-shaded position. Beautiful dark red autumn foliage. Height: 60 – 90 cm.

PINK CASCADE

Deep yellowish pink 2” flowers with red blotch in mid to late season. Spreading cascading plant.

PINK GUMPO

Large yellowish pink flowers in mid season. Hardy dwarf. Height: 30 cm.

PINK PANCAKE

Strong pink flowers with purplish red spotting. Very low growing. Height: 30 cm. Spread: 90 cm after 15 years.

PINK YAYE

Clear pink flowers in late spring. Excellent low growing plant. Height: 30 – 60 cm. Spread: 60 – 90 cm in 10 years.

PORT KNAP

Light reddish purple with reddish throat. Height: 60 – 90 cm.

PORT WINE

Purplish red flowers, flowering mid-season, compact, medium height.

PRINCE BERNHARDT

Reddish-orange flowers in April – May. Low growing.

PRINCESS JULIANA

Orange flowers. Low growing.

PURPLE GLENDALE

Purple flowers in spring. Partial shade. Height: 90 cm.

PURPLE TRIUMPH

Deep purple flowers in late spring. Good red autumn foliage. Height: 60 – 90 cm in 10 years.

PURPLE SPLENDOR

Deep purple flowers in May. Height: 60 – 120 cm.

QUEEN WILHELLMINA

Vivid reddish-orange flowers in April – May. Height: 60 – 90 cm.

RASHOMON

Reddish purple flowers. Height: 60 – 90 cm.

REDWINGS

Large, strong red hose-in-hose ruffled flowers in spring. Hardy. Height: 90 cm.

REX

Salmon pink flowers in early spring. Grows well in partial shade. Height: 60 – 90 cm.

ROBINHILL CONGO

Vivid reddish purple 3” flowers in June. Dwarf. Spreading habit. Brilliant red autumn foliage. Height: 60- 90 cm in 10 years.

ROBINHILL FROSTY

Purplish pink flowers with red blotch and pale pink margin. Semi dwarf. Orange autumn foliage. Height: 60 cm in 10 years.

ROBINHILL GILLIE

Large, strong red-orange wavy flowers in June. Dwarf. Orange autumn foliage. Height: 60 cm in 10 years.

ROSEBUD

Pale rose pink hose-in-hose flowers in early spring. Low spreading habit. Height: 60 – 90 cm.

SAKATA RED

Vivid red flowers.

SALMON SANDER

Deep yellowish pink flowers in May. Compact plant with neat round habit. Height: 60 – 90 cm in 10 years.

SALMONS LEAP

Salmon pink medium size flowers in June. Variegated foliage. Half Hardy.

SATSUKI

Purplish red flowers with dark blotch in April – May. Dwarf.

SHIN SEIKAI

Ivory white flowers. Height: 60 – 90 cm.

SHINTOKI NO HAGASANI

Small deep to light pink hose-in-hose flowers in early spring. Height: 90 – 120 cm in 10 years.

SILVER GLOW

Purplish red hose-in-hose flowers. Variegated tricolour foliage in spring. Compact. Height: 60 cm.

SIMSII

Large yellowish pink flowers in mid season. Best in semi shade. Hardy.

SNOW

White with very light yellowish blotch, hose-in-hose.

SPRING BEAUTY

Strong yellowish pink flowers with white throat and deep pink blotch. Late to mid season. Scarlet foliage in autumn.

STEWARTONIAN

Vivid red, 2” medium to tall, reddish winter foliage, very hardy.

VIDA BROWN

Strong purplish red hose-in-hose ruffled flowers. Late flowering. Neat compact grower. Height: 18”

VUYKS ROSY RED

Large rosy red flowers with darker flash in May. Good glossy foliage, which colours in autumn. Height: 60 – 80 cm.

VUYKS SCARLET

Large red flowers in early spring. Red autumn foliage. Height: 60 – 90 cm in 10 years.

WARDS RUBY

Ruby Red flowers in spring. Partial shade. Excellent bronze red foliage in autumn Height: 80 – 100 cm.

WEE WILLIE

Light purplish pink medium flowers with white throat. Flowers in late spring. Dwarf compact plant.

WHITE LADY

White flowers with green eye, flowering mid-season.

WHITE MOON

Large white flowers with pale green spotting and occasional red markings. June flowering. Height: 18” in 15 years.

WHITE ROSEBUD

White double flowers with green throat. Flowering mid-season. Height: 60 – 80 cm.

YAYE

White flowers in late spring. Very low growing. Height: 30 – 60 cm Spread: 60 – 90 cm in 10 years.

<p>EVERGREEN AZALEAS GLENN DALE VARIETY</p>
--

This variety takes its name from the location where it was hybridised - Glenn Dale, Maryland. The Glenn Dale Azaleas have larger flowers from April to mid June. The Glenn Dale are grown around the world and as a group they are very cold hardy.

ABBOTT

Deep purplish pink flowers with vivid purplish red dots and undulated lobes 3” across. Reddish autumn foliage. Vigorous. Height: 150 cm.

ADORABLE

Vivid purplish pink flowers, 3” across. Spreading habit up to 150 cm across.

ADVANCE

Vivid red flowers, 2” across. Dense twiggy. Midseason. Height: 150 cm.

AFTERGLOW

Vivid purplish red flowers, 2” across with a darker blotch. Early flowering. Strong erect growth. Good autumn red foliage. Height: 180 cm.

ALADDIN

Vivid red flowers in spring. Good bronze foliage in autumn. Height: 60 – 90 cm.

ARCADIA

Deep pink flowers, 3” across with a blotch of purplish red dots. Early flowering. Erect and wide spreading. Height: 200 cm.

ASTARTE

Deep purplish pink to reddish purple flowers, 3” across with white at base of tube. Early flowering. Erect growth. Height: 150 cm.

BALLET GIRL

Purplish pink flowers in mid season. Hardy, vigorous. Best in semi-shaded position. Orange/red autumn foliage.

BEACON

Deep yellowish pink, reddish orange flowers, 2” across. Midseason. Erect growth. Height: 150 cm.

BISHOP

Deep purplish pink flowers, 2” across with a purplish red blotch. Midseason. Erect growth. Bronze autumn foliage. Height 150 cm.

BLUSHING MAID

Purplish pink flowers, 2” across. Early flowering. Open, upright habit. Height: 150cm.

BOPEEP

White flowers tinted with light purplish pink, 2” across with a blotch of purplish dots. Very early flowering. Height: 120 cm.

BOWMAN

Deep pink flowers, 2” across with a blotch of purplish red dots. Early flowering. Dense, twiggy growth. Height: 120 cm.

BRAVO

Red tube flowers, 2” across with strong reddish purple blotch. Midseason. Dark bronze foliage in autumn. Height: 150 cm.

BUCCANEER

Brilliant orange red flowers in May. Height: 90 – 150 cm.

BURGUNDY

Deep yellowish pink 2” flowers with darker margins and purplish red blotch. Early flowering. Upright growth. Good red autumn foliage. Height: 150 cm.

CADENZA

White ruffled flowers, 2” across with a few stripes of reddish purple. Midseason. Low spreading. Height: 120 cm.

CAPELLA

White, hose-in-hose flowers, 2” across with rare flakes of strong purple. Early flowering. Dense habit. Height: 180 cm.

CAPTIVATION

Deep to yellowish pink, hose-in-hose flowers 2” across with a purplish red blotch. Early flowering. Broad spreading. Height: 120 cm.

CARBINEER

Strong purplish pink flowers, 2” across with a yellow undertone. Early flowering. Semi evergreen. Orange autumn foliage. Tall. Height: 240 cm.

CARNIVAL

Yellowish pink to orange flowers, 3-4” across with red blotch. Upright spreading habit. Height: 150 cm.

CATHY

Deep yellowish pink flowers, 2” across with a blotch of purplish red dots. Early flowering. Broad spreading. Orange/red foliage in autumn. Height: 150 cm.

CHANTICLEER

Deep purplish red flowers, 2” across with yellowish pink tube. Midseason. Dense twiggy habit. Height: 150 cm.

COLLEEN

Deep pink flowers, 2” across. Blotch variable. Early flowering. Tall open growth. Height: up to 210 cm.

COMMODORE

Vivid red flowers, 3” across with blotch of purple dots. Early flowering. Narrow leaves. Spreading habit. Light bronze autumn foliage. Height: 90 cm.

CON AMORE

Strong purplish pink flowers, 3” across with lighter margins. Early flowering. Dense spreading habit. Height: 150 cm.

CONTENT

Light purple flowers, 3” across with purplish red dots. Early flowering. Erect to broad spreading. Height: 120 cm.

CORALIE

Deep pink flushed yellowish pink hose-in-hose flowers, 2” across. Midseason. Height: 150 cm.

CORAL SEA

Strong purplish pink flowers, 3” across with blotch of purplish red dots. Midseason. Spreading habit. Height: 120 cm.

CRINOLINE

Strong reddish purple ruffled flowers, 3” across frequently with white eye. Midseason. Broad spreading. Orange autumn foliage. Height: 150 cm.

CYGNET

White flowers, 2” across with a pale yellow blotch. Midseason. Dense twiggy growth. Height: 120 cm.

CYTHERIA

Deep purplish pink flowers. Midseason. Spreading habit. Height: 120 cm.

DAMOZEL

Deep yellowish pink flowers with a purplish red blotch and white at base of tube. Early flowering. Upright spreading habit. Height: 150 cm.

DARKNESS

Red flowers with a darker blotch. Flowering in April – May. Bronze autumn foliage. Height: 60 – 90 cm.

DAYSRING

White to light purplish pink flowers with greenish yellow blotch. Midseason. Spreading habit. Height: 150 cm.

DEFIANCE

White flowers, 2” across, heavily striped with moderate red. Midseason. Dense twiggy habit. Height: 120 cm.

DELIGHT

White flowers with flakes of reddish purple. Early flowering. Vigorous. Erect. Height: 180 cm.

DRAGON

Vivid purplish red flowers, 2” across. Midseason. Dense twiggy habit. Excellent dark red autumn foliage. Height: 150 cm.

DRIVEN SNOW

White flowers with red blotch. Flowering from April – May. Height: 60 – 90 cm.

EFFECTIVE

Deep purplish pink flowers, 3” across with very faint blotch. Early flowering. Upright growth. Soft orange foliage in autumn. Height: 120 cm.

EGOIST

White flowers with a few stripes and much sanding of reddish purple. Late flowering. Broad spreading. Height: 150 cm.

EROS

Deep to light pink flowers. Late flowering. Low spreading. Height: 90 cm.

EVEREST

White flowers with a pale yellow blotch. Midseason. Broad spreading. Height: 120 cm.

EVENSONG

Deep purplish pink flowers in April – May. Hardy. Height: 60 – 90 cm.

FANDANGO

Strong purplish pink flowers with a vivid red blotch. Midseason. Compact. Twiggy habit. Dark bronze autumn foliage. Height: 120 cm.

FAWN

White centred flowers with purplish pink margins. Midseason. Broad spreading. Height: 120 cm.

FELICITY

Strong purplish pink flowers with darker margins and purplish red dots. Late flowering. Height: 180 cm.

FREEDOM

Deep to yellowish pink flowers. Early flowering. Fairly dense. Height: 120 cm.

FRIVOLITY

White flowers with a yellow blotch and a few reddish stripes. Midseason. Dense twiggy growth. Height: 90 cm.

GALATHEA

Greyish red flowers, 2” across with a few dots in blotch. Early flowering. Upright growth with twiggy branching. Very dark bronze autumn foliage. Height: 150 cm.

GALLANT

Pale yellowish white flowers with a few red flakes. Midseason. Dense twiggy growth. Orange autumn foliage. Height: 120 cm.

GEISHA

White flowers flaked and striped reddish purple with a yellowish green blotch. Early flowering. Tall. Height: 150 cm.

GLACIER

White flowers, 3” across with a faint green tone. Early flowering. Vigorous and erect growth. Height: 150 cm.

GNOME

White flowers, 2” across with green blotch and red stripe. Midseason. Dense twiggy habit. Height: 120 cm.

GREETING

Deep pink flowers with a ruffled margin. Early flowering. Erect to broad spreading. Height: 120 cm.

GYPSY

Deep purplish pink flowers, 3” across. Early flowering. Erect to spreading habit. Height: 240 cm.

HELEN CLOSE

White flowers, 3” across with a pale yellow blotch. Midseason. Dense twiggy growth. Height: 120 cm.

HOPEFUL

Deep purplish pink flowers. Early flowering. Height: 150 cm.

ILLUSIONS

Strong purplish pink flowers with a purplish red blotch. Early midseason flowering. Dense upright spreading habit. Height: 210 cm.

JUNEGLOW

Strong orange flowers. Late flowering. Straggling habit. Height: 150 cm.

KATINKA

Light purplish pink to suffused orange flowers. Early flowering. Erect spreading habit. Good red autumn foliage. Height: 120 cm.

KILLARNEY

White flowers, 3” across with greenish yellow blotch and a few reddish purple flakes. Late flowering. Broad spreading habit. Height: 120 cm.

KOBOLD

Deep purplish red flowers in mid season. Dense twiggy growth. Red autumn foliage. Height: 150 cm.

KOGETSU

White flowers in spring. Dwarf compact. Best in shaded spot.

LILLIE MAUDE

Strong reddish purple frilled flowers. Late flowering. Broad spreading habit. Orange/red autumn foliage. Height: 150 cm.

LINWOOD LUSTRE

White hose-in-hose semi double flowers with a light greenish yellowish blotch. Height: 60 cm.

LOUISE DOWDLE

Large strong reddish purple flowers with a darker blotch. Late flowering. Hardy. Wide spreading. Height: 150 cm.

LULLABY

Strong purplish red, throat purplish pink, yellow base of tube, often 6 lobes, 2" across, flowering mid-season, broad and spreading.

LUCETTE

Strong reddish purple wavy flowers with a blotch of purplish red dots. Early flowering. Erect growth. Height: 90 – 120 cm.

MADCAP

White flower flaked and striped with moderate red and yellow tone. Midseason. Spreading habit. Height: 150 cm.

MARTHA HITCHCOCK

White flowers, 3" across with reddish purple margins. Early midseason flowering. Broad spreading. Orange/red foliage in autumn. Height: 90 cm.

MARY HELEN

White flowers with a greenish yellow blotch and brown anthers. Midseason. Broad spreading. Height: 150 cm.

MEGAN

Deep purplish pink flowers, 3" across with a blotch of purple dots. Late flowering. Broad spreading. Height: 150 cm.

MERLIN

Light reddish purple flowers, 3" across. Nearly deciduous. Broad spreading. Height: 150 cm.

MOONBEAM

White flowers, 4-5" across with some frilling on margins. Midseason. Broad spreading. Height: 150 cm.

NIAGRA

White flowers in spring. Hardy. Height: 90 – 150 cm.

NIPHETOS

White flowers with a yellow green blotch and a few reddish purple stripes. Late flowering. Broad spreading. Soft yellow foliage in autumn. Height: 120 cm.

NO. 8

Pink flowers with a slight orange flush.

NO. 9

Red flowers with good red autumn foliage.

NUBIAN

Moderate purplish red flowers with a dark red brown blotch. Midseason. Compact. Low growing. Height: 90 cm.

ORACLE

Strong purplish pink flowers, 3" across with a blotch of red dots. Early flowering. Wide spreading. Red autumn foliage. Height: 150 cm.

ORISON

White flowers flaked and few stripes of reddish purple. Late flowering. Broad spreading. Height: 150 cm.

PEARL BRADFORD

Strong purplish pink flowers, 3" across with a blotch of purplish red. Late flowering. Broad spreading. Height: 120 cm.

PETER PAN

Strong purplish pink starry flowers. Early midseason flowering. Wide spreading. Height: 150 cm.

PICOTTE

Flowers with a white centre and a reddish purple edge. Midseason. Broad spreading. Height: 120 cm.

PILGRIM

Light purplish pink flowers, 2" across. Early flowering. Broad spreading. Height: 90 cm.

POLONAISE

White flowers with a yellow green blotch and occasional purple stripes. Early to midseason flowering.

PRELATE

Strong purplish pink flowers. Early flowering. Height: 180 cm.

QUEST

Pale purplish pink flowers, 3" across. Early flowering. Broad spreading. Height: 120 cm.

RANGER

White double flowers with a slight yellow green. Early flowering. Erect. Soft yellow autumn foliage. Height: 120 cm.

RED HUSSAR

Deep purplish pink to reddish orange flowers. Early flowering. Erect. Excellent scarlet foliage in autumn. Height: 120 cm.

REQUIEM

White flowering with a yellowish green blotch and rare reddish stripes. Early flowering. Dense twiggy habit. Height: 120 cm.

SAGA

Frilled deep purplish pink flowers with a purplish red blotch. Late flowering. Broad spreading. Height: 90 cm.

SAMITE

White hose-in-hose flowers. Late flowering. Open upright habit. Height: 180 cm.

SAPPHO

Vivid purplish red flowers, 2" across with a darker blotch. Early flowering. Upright habit. Orange/red autumn foliage. Height: 180 cm.

SATRAP

White flowers heavily striped red for peppermint effect. Early flowering. Tall. Height: 150 cm.

SEAFOAM

White frilled flowers, 3" across with a yellow green blotch. Midseason. Low growing habit. Height: 90 cm.

SILVER MIST

White flowers, lightly sanded and flaked with a few stripes of reddish purple. Midseason flowering. Low spreading.

SILVER MOON

White flowers with yellow green blotch, frilled 3" across, blooms mid-season, broad and spreading habit to 5 feet high.

SIMPLICITY

Light purplish pink flowers washed with light purple. Early flowering. Erect to wide spreading. Height: 210 cm.

STUNNER

Strong purplish pink flowers. Mid to late flowering. Spreading habit. Height: 90 cm.

SURPRISE

Moderate red flowers with irregular white margins. Midseason. Dense twiggy growth. Reddish autumn foliage. Height: 90 cm.

SWAN SONG

Large white trumpet flowers in spring. Hardy. Height: 60 – 90 cm.

TANAGER

Vivid purple red flowers in April – May. Excellent scarlet foliage in autumn. Height: 90 – 120 cm.

TANGO

Deep pink to purplish pink flowers, 3" across with a purplish red blotch. Early flowering. Erect. Height: 180 cm.

TREASURE

White to pale pink flowers, 4" across. Early flowering. Vigorous broad spreading habit. Height: 120 cm.

TRINKET

White flowers, 3" across with a few flakes of purplish pink. Late flowering. Broad spreading habit. Height: 120 cm.

VALKYRIE

Vivid purplish red flowers, 3" across with darker margins. Somewhat spreading. Red autumn foliage. Height: 150 cm.

VANGUARD

White flowers, 3" across with a yellow blotch and stripes and sanding of red. Midseason. Dense and twiggy. Height: 120 ft.

VANITY

Strong purplish pink flowers. Early to midseason flowering. Erect. Height: 150 cm.

VESPERS

White flowers with a yellow/green throat and occasional red stripes. Midseason. Broad spreading. Height: 150 cm.

VIKING

Light purplish pink flowers. Early flowering. Semi-deciduous. Broad spreading. Height: 120 cm.

VISION

Strong reddish purple flowers, 3" across and paler in the centre. Erect to wide spreading. Height: 240 cm.

WARRIOR

Vivid purplish red flowers with a purplish pink blotch. Early flowering. Erect habit. Height: 120 cm.

ZEALOT

Strong reddish purple flowers with a red blotch. Flowering in midseason. Compact and erect habit. Red/bronze autumn foliage. Height: 120 cm.

DECIDUIOUS AZALEAS

These varieties of azaleas are very hardy and provide a good assortment of colour in spring, flowering from April to July, followed by bronze-red foliage in autumn. They will grow in shade or full sun with moist soil. Some varieties are also fragrant.

3 litres - £10.50

5 litres - £14.50

7.5 litres - £19.50
